Dear Frank,

I would like to thank you for helping me get on my trip to Europe. It was an unforgettable experience. I made quite a few new friends along the way in my delegation and foreign ones, too. I learned a great deal and had a blast doing it. I studied the medieval history and adapted to the new languages. Seeing and interacting in the different cultures hands on memories which I will carry with me forever.

I travelled to six countries, all with their unique cultural opportunities. In France, I climbed the Eiffel Tower. The view was stunning. I had a look at the famous Mona Lisa painting as well. I rode to the London Eye, heard, and visited Big Ben in England. I tasted new foods and the famous chocolates in Belgium. I toured Anne Frank's house and saw windmills in the Netherlands. I enjoyed rafting through the Alps in Switzerland. I even stayed with a family in Germany for three days and went to their school, too.

It is an experience I wish everyone could do and enjoy. I definitely have a travel bug. I would like to explore the rest of the world someday, though it is nice to be back in the USA. Thank you for making this once in a lifetime opportunity into a reality. Your contribution definitely didn't go to waste. I feel very satisfied that I was able to go.

Thank you,

William
