A diagram of a simple neural network. It consists of two input nodes at the bottom, one hidden node in the middle, and one output node at the top. The nodes are represented by small circles. The connections between the input nodes and the hidden node, and between the hidden node and the output node, are represented by lines.

A dotted lowercase letter 'b' is shown on a set of three horizontal handwriting lines: a top blue line, a middle green line, and a bottom red line. The letter 'b' starts at the bottom red line, goes up to the top blue line, and then curves back down to the bottom red line. A small black dot is placed above the letter, between the middle green line and the top blue line, indicating the starting point for the next letter.

A lowercase letter 'b' formed by a dotted line on a background of horizontal green lines. The letter has a vertical stem and a circular bowl at the bottom.
