

THIRD TERM ENGLISH EXAM

Hello friends!

My friend Yacine is a pupil at BENM'HIDI middle school in Oran. He is ill and needs healthcare. Yacine visited the doctor because he was not feeling well. He is overweight and suffers from obesity, and has a stomach ache. He eats a lot of fast food outside with his friends, including large pizzas, large portions of chips, and soda . His family doctor examined him and advised him to consult a dietician.

Yacine is feeling good now after following the advice of his family doctor and dietician. He has decided to change his bad habits and never eat unhealthy food again.
